

ACADEMIC EXCELLENCE (A.E.) PROGRAM

The Academic Excellence (A.E.) Program is available to CYC members to enhance student's academic performance. Our objective is to help students be successful in the classroom by providing a quiet environment in which to study and learn with the help of dedicated, and trained tutors. CYC offers two fully equipped and staffed Academic Rooms, covering grades 1-12: Big A.E. (1th-6th), and High School A.E. (7th-12th). A.E. also offers academic camps throughout the summer.

For questions, please contact the Academic Excellence Program Director,
Viviana Hernandez at vhernandez@cycmail.org.

The Community Youth Center (CYC) is a non-profit sports and academic center where youth ages 3-18 can participate in 10 programs: nine sports and our Academic Excellence program. Membership at CYC is only \$33 per month, or less for those who qualify, making our services available to all families. CYC has over 2,500 members and averages almost 400 kids per day in attendance. The monthly membership fee includes access to all CYC programs including the 9 sports teams and two academic tutoring centers. During the summer, CYC also offers a full range of active camps for youth of all ages. CYC summer camps are open to CYC members and the general public alike.
