June 18 - 22: Animal Safari

Students will travel back in time and explore the dinosaur era. Students will participate in fun outdoor games, arts and crafts related to the era. On Friday, we will visit the Academy of Sciences Museum in SF.

June 18 - 22: Drama Enrichment

Students will watch improv videos and play games that encourages them to use their imagination. By the end of the week, they will have the opportunity to create their own play.

June 25 - 29: Around the World

We will experience new cultures, taste recipes from other countries, and discuss how they're connected. On the last day we will be taking a trip to Markham Park to have a picnic.

June 25 - 29: Music Enrichment

This week we will listen to a wide range of songs from around the world and watch some new dance moves that go along with the music. We will even try the dances ourselves!

July 9 - 13: Animal Safari

Campers will learn about the animal kingdom! They will learn about the habitats, adaptations, and origins of many animals. Then, we will visit the SF Zoo to see animals up close.

July 9 - 13: Game Show Enrichment

Ever wondered what it would be like to participate in a real TV Game Show? Well now it's your chance to join in and experience a few of these game shows and compete against others to be #1.

July 16 -20: Space

In this camp we will be traveling throughout our solar system and explore different planets and space objects. Students will get a chance to go to the USS Hornet to observe the history between the USS Hornet and NASA.

July 16 -20: Arts & Crafts

In this camp we will be working with crayons, paints and pastels to design your own masterpieces of art. Additionally, students will get to make their own batch of slime!

July 23 -27: Career Camp

In this camp we will dive into different career paths where students will be exposed to different types of jobs. A trip to the Disney Museum will be included to give preview of the entertainment industry.

July 23 -27: Mad About Science

We will learn through various fields in science and push the limits of physics!

July 30 - August 3: Under the Sea

Diving into the marine life, we will be exploring the ocean and sea through fun crafts and a field trip to the Crab Cove Center in Alameda.

July 30 - August 3: Games & Movies

This week is about games & movies! Everyday we will play board/ computer games and watch fun movies!

August 6 - 10: Nature

Everyday we will go out into the world and explore the beauty that nature has to offer us. We will go on a field trip everyday to go hiking and enjoy the outdoors! (8am - 3pm ALL WEEK)

Wrestling Camp:

The K5 wrestling and activities camp will focus on the fundamentals of wrestling. Campers will learn the basic techniques and skills that are required to wrestle. They will participate in activities that develop coordination, balance and body control. This camp is great for kids who are new to wrestling and to continue to build skills for more experienced wrestlers.

Gymnastics Camp

Come and enjoy fun games and instruction! The participants will have training on Vault, Uneven Bars, Balance Beam, Trampoline and our foam pit. There will be arts and crafts and fun!

Team Sports Camp

Come learn the fundamentals of a variety of sports from baseball, soccer, basketball, etc. Each day will consist of a new sport and lots of fun games! A BBQ will be held on the last day.

Mind and Body Camp

Students will learn a variety of yoga poses and learn new ways to become one with themselves through various focusing and breathing techniques. Students will be challenged to push their own limits while also finding new ways to enjoy it!

Cheer Camp

Students will learn to develop flexibility, coordination, and strength while learning the fundamentals of tumbling and stunting. Come and enjoy fun games and instruction!

Soccer Camp

This camp is all about soccer - learning all about the fundamentals and improving their skills. This camp welcomes all skill levels to the camp from age group 2009 and up! This camp will run from 9am - 12pm (please plan according).

Dance Camp

Students will discover a variety of dance styles and techniques. Students will also participate in a variety of games and activities.

Activity Camps

Each week of camp will feature new activities and new field trips. Each day will be a new field trip or a new activity. Be prepared to play!
